

Justyna Dabrowska

Junior Front End Developer

ABOUT ME

I AM A SELF-TAUGHT FRONT END DEVELOPER AN ENTHUSIAST OF CLEAN DESIGNS AND CODE

I'VE ALWAYS HAD A STRONG INTEREST IN WEBSITES AND THE INTERNET BUT NEVER THOUGHT TO PURSUE IT AS CAREER. I REGRET THIS SO MUCH, I FEEL LIKE I'VE BEEN WASTING TIME NOT DOING THE THINGS I LOVE!

LAST YEAR, BEING LOCKED DOWN, I DECIDED I'M GOING TO LEARN HOW TO MAKE WEBSITES... BECAUSE WHY NOT?

I STARTED WITH HTML THEN WENT ON TO CSS. THIS WAS REALLY ENJOYABLE AND I WAS HAVING SO MUCH FUN CREATING SIMPLE STATIC WEBSITES. THEN I WENT ON TO JAVASCRIPT AND SPENT MONTHS AND MONTHS TRYING TO FIGURE OUT PROGRAMMING AND THE LANGUAGE ITSELF. I REMEMBER HOW HAPPY I WAS ONCE I FIGURED OUT HOW PARAMETERS IN FUNCTIONS WORK. THAT WAS THE MOMENT I REALISED THAT THIS IS IT! HENCE I'M HERE NOW, TRYING TO START A NEW CAREER IN THE JOB I KNOW I WILL LOVE.

EXPERIENCE

Hotel Supervisor

The George Hotel Stamford

2018 - Present
